

Dear Friend of OCIB,

We hope you and your family are doing well! The recent announcement of troop build up in Europe and continued deployments throughout the world, including the Middle East and in the Pacific, are keeping us busy. Most recently, we had our first offsite event since the pandemic started at Navy Federal Credit Union, and it was a great success! Thank you [Navy Federal Credit Union!](#)

We call upon our nationwide community of supporters to help us continue to fulfill our mission of bringing joy to our deployed servicewomen across the globe. We are in need of physical in-kind [donations](#) of personal care products and postage money for our high quality care packages.

Please enjoy our newsletter to learn more about what we are doing and how you can help! Thank you!!
